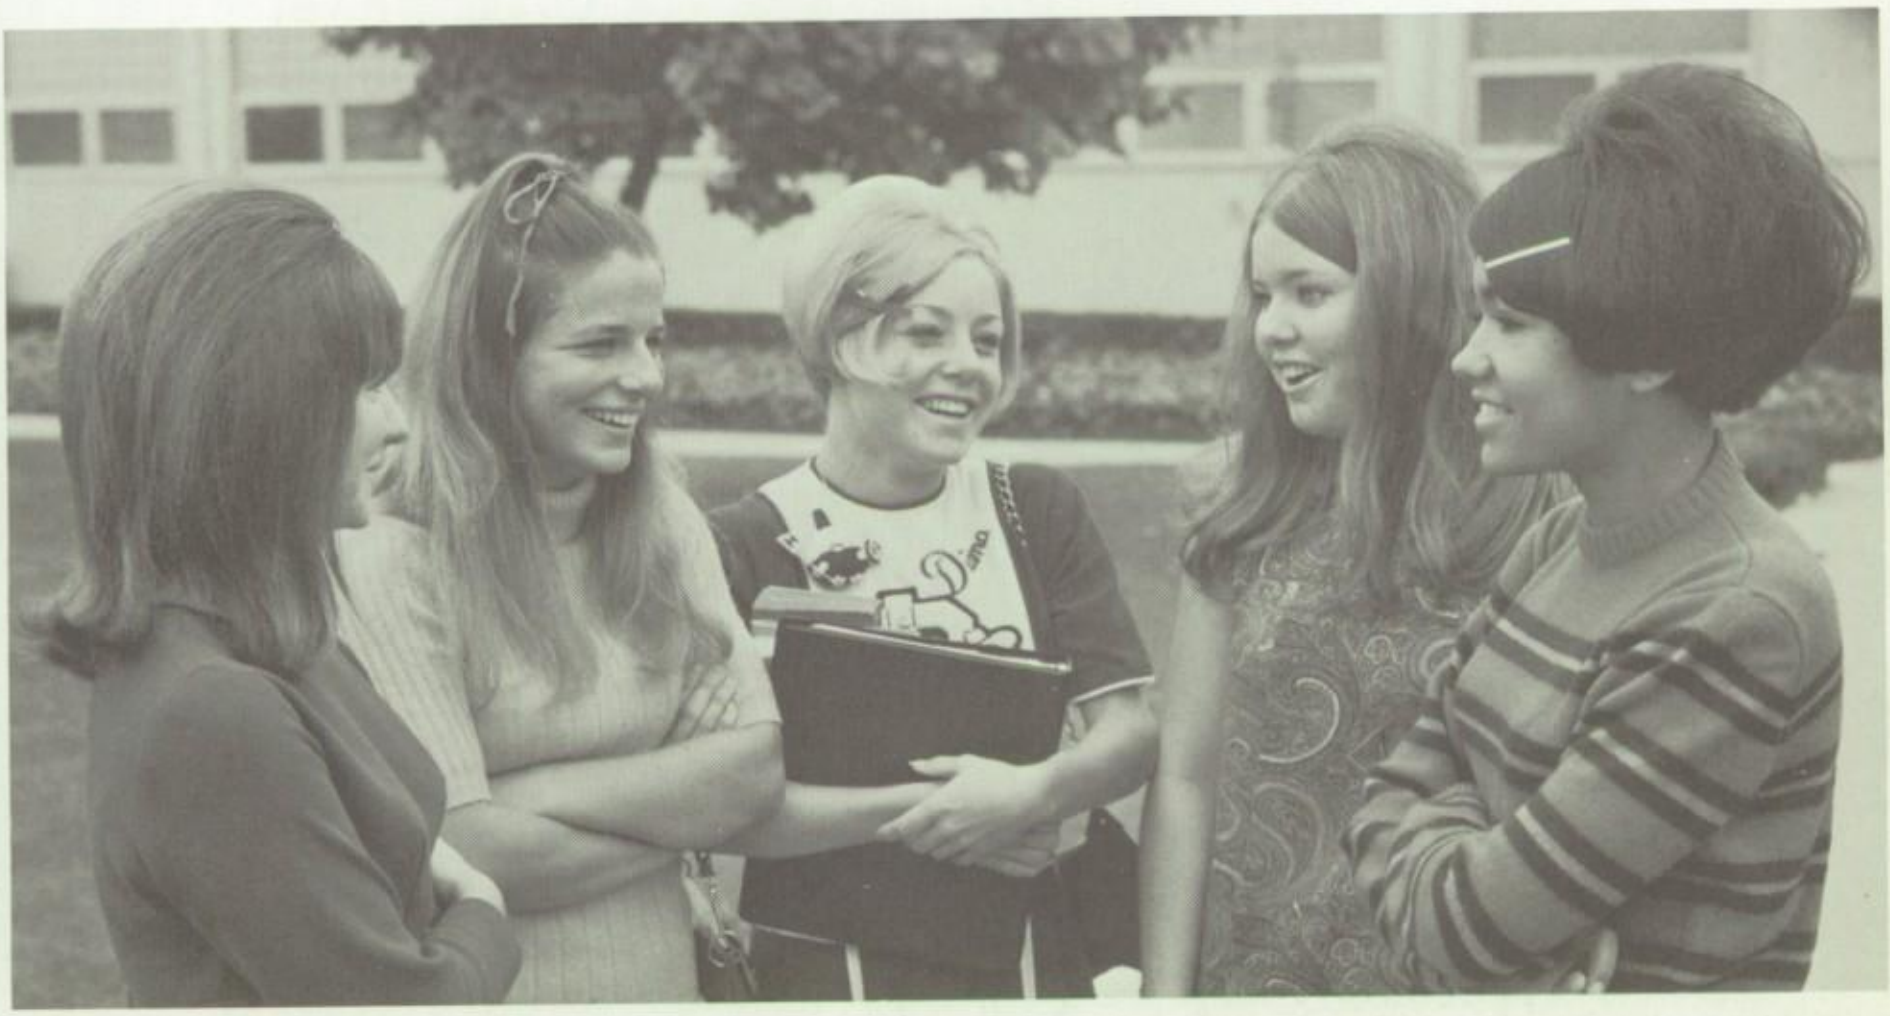
You wish. You want.
You need to know . . .

How can one find a true identity in our society? Where does the search begin? The problem is as old as the quest for human liberty, but today its dimensions are new and disturbing.



The individual is beset by an uneasy sense of emptiness and anonymity . . .

Dr. Snider Speaks Out

In what ways are the students of today different from those of twenty years ago?

In my opinion, today's youth have an increased awareness of individual, collective, local, national, and international problems. Rather than accepting the solutions of established authority, they tend, more frequently, to depend on each other for answers to the questions posed by these problems.

This generation is more idealistically oriented than the youth of twenty years ago. They find themselves enveloped in a kaleidoscopic civilization which offers rich bounty but still continues to tolerate injustices for some and to produce dissatisfaction for many. More and more, students are becoming mistrustful of established means of change and are actively speaking out for causes they consider worthwhile, though they sometimes do not completely understand those causes.

What advice would you give students of today?

Prepare yourselves for change, but do not accept it unthinkingly. Change is what you make of it. Of itself, change is neither good nor evil, but it is inevitable. At no time must you give up your right to help determine the future as long as you are confident that your actions are morally right and just.

Mr. Rettig
Adviser

R.A. gives students a chance to learn and participate in the process of lawmaking. The major goal accomplished by this years Fall Representatives was the passing and approval of portable benches for the lawn area. The bill was introduced by representative, Dan Dunsford.

R.A. chairman Sandi Severini (center) and other R.A. officers preside over the discussions and actions of the student representatives.

Rules Are Made

As a model of the legislative branch of our country's government, the Spring Representatives work on past and present issues.

Sitting in court are Judges Tony Ventimiglio, Bob Carroll, Kandi Taylor, and Commissioner of Social Service, Chris Shulenberger. Not pictured is Judge Gary Hultberg.

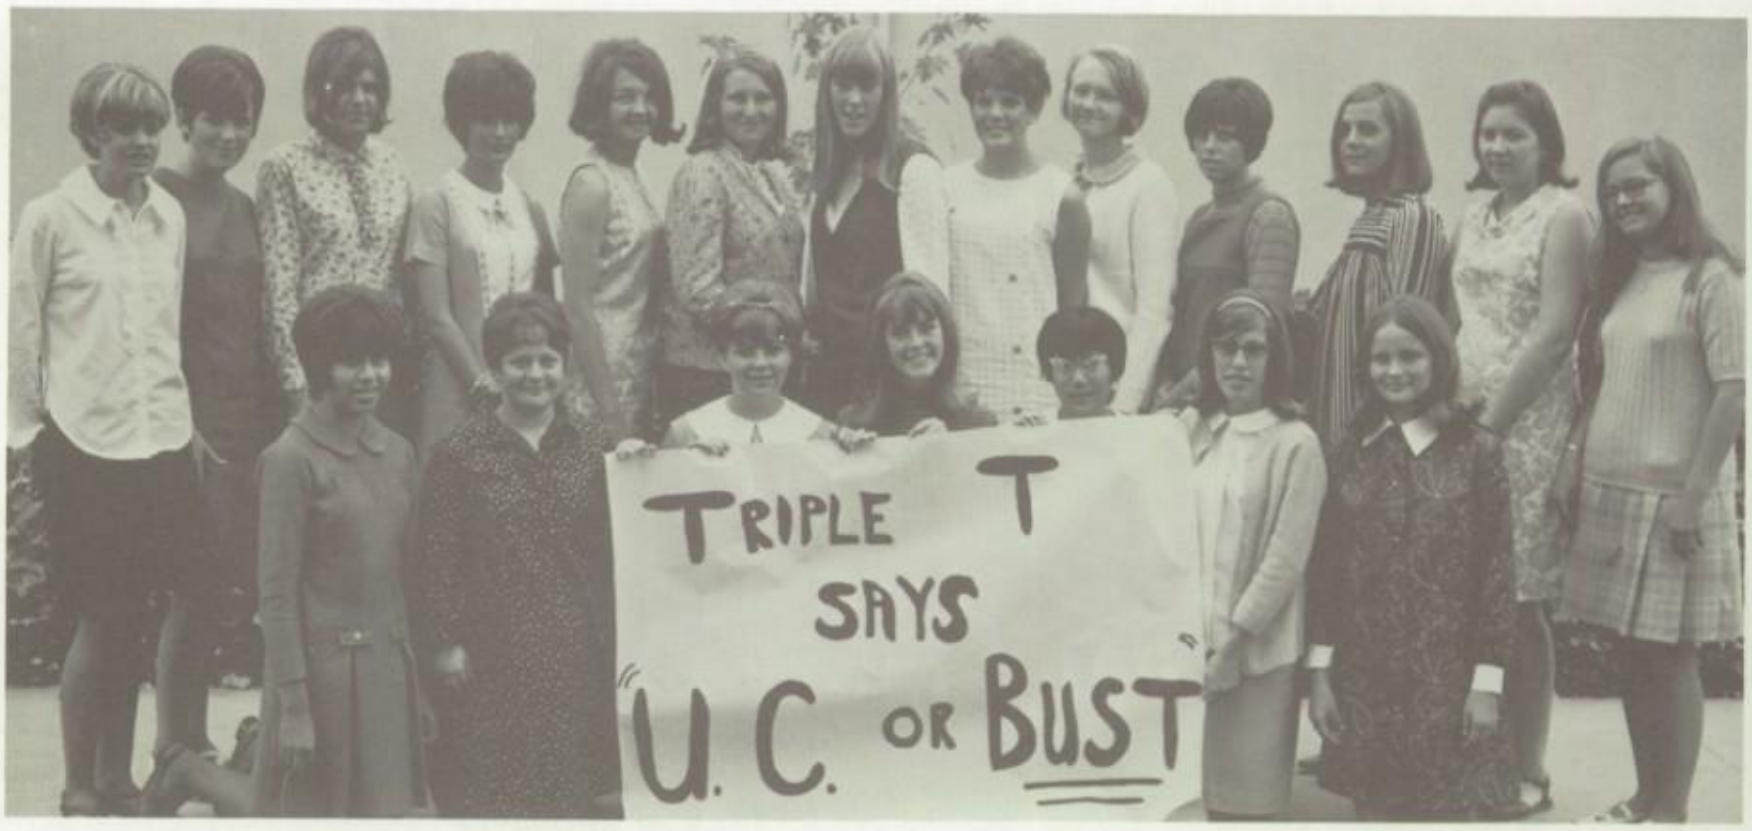
Just doing their duty, Judge Bob Carroll and Commissioner Chris Shulenberger award a deserving student a citation.

Social Service members devote their extra time to service to the school by patrolling the halls during lunch and keeping order at the games.

Future Vocational Leaders . . .



Tomorrow's Teachers Today have their sights set on an educational career, and the desire to succeed motivates each member to maintain high standards.

Establishing an efficient home, maintaining a well-planned budget, and making wise choices when purchasing consumer goods are only a few of the lessons taught to the Future Homemakers of America.

These Future Business Leaders of America anticipate great rewards in the business world.

The Chess Club offers hours of contemplation.

Develop Their Abilities

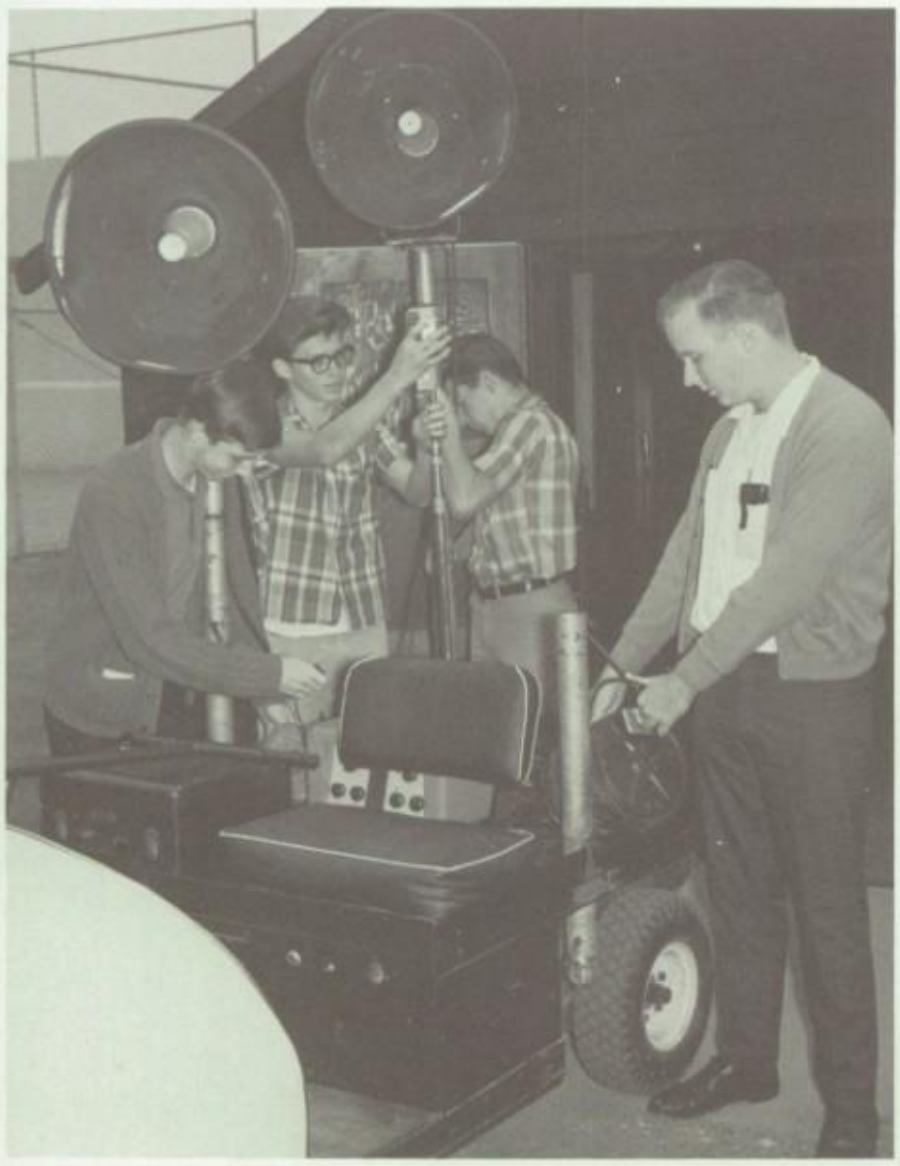
Members of the Medical Careers Club desire to assist those in need.

Representatives of clubs and organizations meet with Commissioner of Clubs, Vicky Rhinehart, to discuss school problems and activities.

Clubs Highlight Student Activities

Judy Spears heads Keyettes, a club in which all girls must maintain a "B" average. Members of this club serve as hostesses at Back to School Night and go on many field trips.

Sharon Hall leads a discussion in this session of the Controversial Issues Club. Members are given the opportunity to listen to guest speakers as well as voice their own opinions on today's problems.



Public Address Club puts its knowledge of equipment to practical use. Members are John Ball, Al Popp, Cliff Baldwin, and Mike Parker.

Members of the Finance Committee are *(front row,)* Cathy Rodriguez, Pat Willis; *(second row,)* Charlene Gregory, Cassie Burke; *(third row,)* Chris Reed, Eilleen Milby, and Diane Clarke.

A division of Megaphone Club is the Rally Committee. Members of this committee plan and organize rallies in order to help promote spirit before games.

One of the many fund raising activities sponsored by Megaphone this year is the sale of basketball programs.

SPIRIT!

One of the largest clubs at San Lorenzo is Megaphone Club. Its main purpose is to provide spirit at games and rallies.

A requirement for try-outs is fulfilled as Megaphone cards are punched.

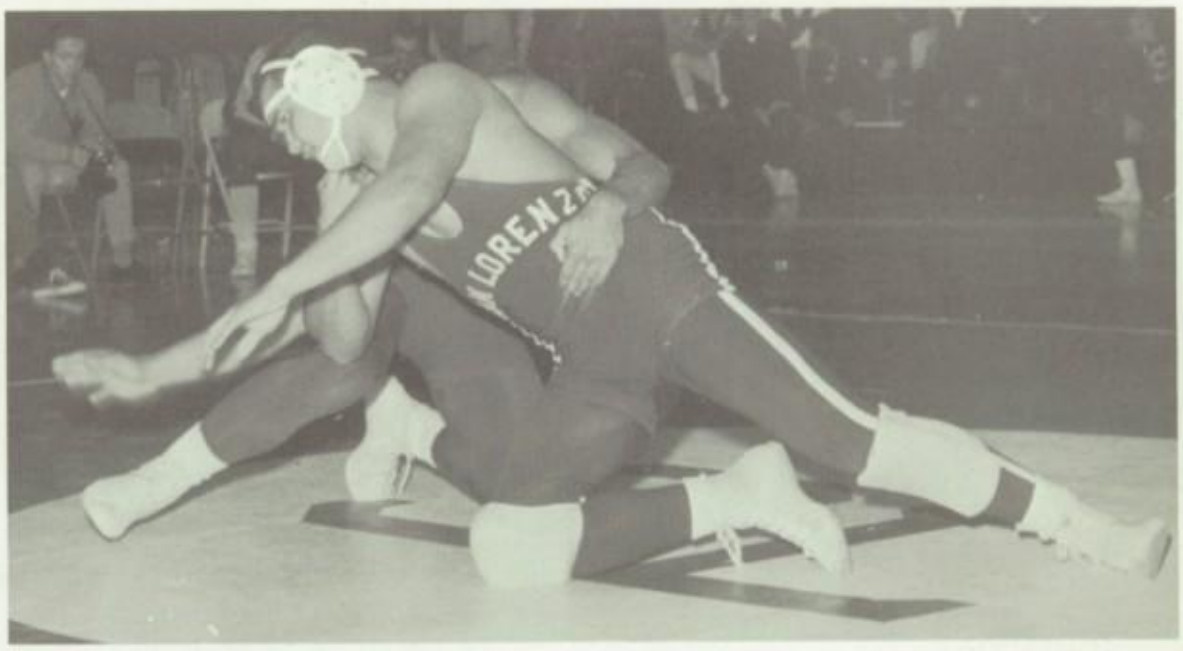
Through Megaphone Club, active members are able to try out for yell-leading and song girls lines.

Members of G.A.A. have their choice in choosing the sport, or sports, they wish to participate in. Among the many choices the most popular are: bowling, volleyball, basketball, tennis, and softball. This year's advisers are Miss Beverly Braden and Miss Ivy Frye.

JUMP, JUMP—a little higher.

Girls Get Sporty

Co-Adviser, Miss Frye, lends a helping hand during a practice game of volleyball.



Donned in a new uniform, grappler Jody Buna throws a reversal.

Tony Ventimiglio, President of the Wrestling Club, receives a medal for First Place in his weight class, during the H.A.A.L. Tournament, from the principal of Castro Valley High School.

Matmen Join Forces to Gain Financial Support

The main goal of the club this year was to raise money for new uniforms and sweats. Pictured here are: *Standing;* Jerry Busick, Tom Perez, Dave Crespo, Wayne Petersen, Dan McCormick, Mike Bianchi, Rick Garcia, Greg Funk, Marc Georgian, Rocky Heather, and Ron Clark; *Sitting;* Ron Blanton, Vice-President, Tony Ventimiglio, President, Jay Craney, Secretary, and Jody Buna, Treasurer.

This year San Lorenzo's representatives at Girls' and Boys' State were Lucy Tegge and Jim Knight. Lucy and Jim, after being interviewed by a panel of judges, were chosen from a group of well qualified students for this honor. As a result of being selected, they attended a week long seminar on student government last summer in Sacramento.

Student Representatives

Activity is the password as Girls' League begins another year. Among its many projects are the Freshman Tea, the Christmas Food Drive, and two fashion shows. Club officers are: Sharon Hall, Nancy Searle, Terry Hoig, and Debbie Carter.

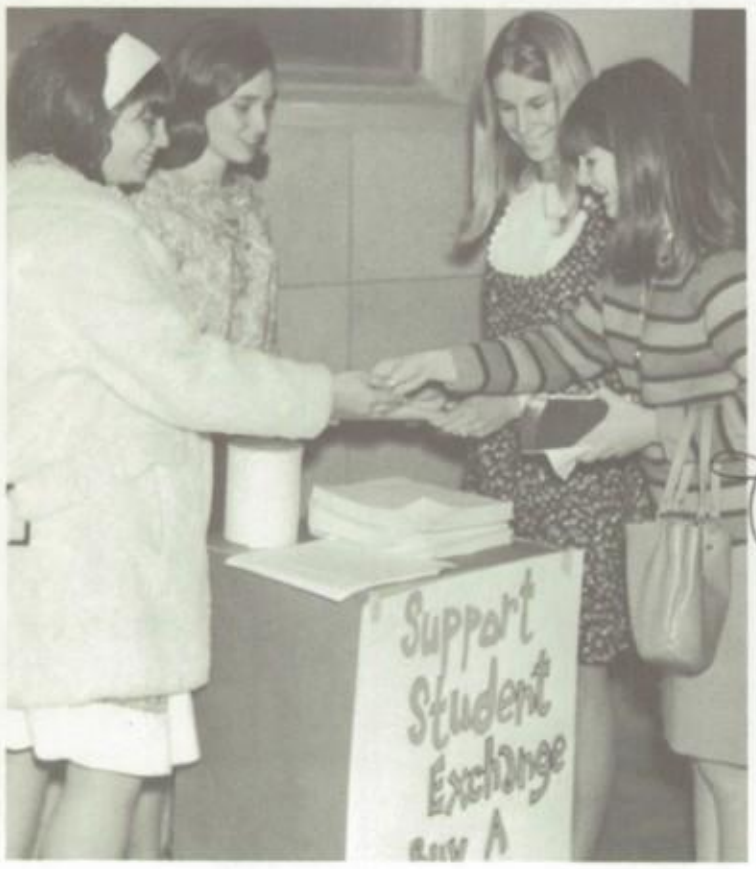
Boys' League, headed by Steve Robey, represents the male students' interest in school functions. It sponsors a yearly dance and a booth at Rebello.

Inspire Fellow Rebs

This year, the Girls' League Food Drive was very successful, raising more than $200 and collecting over 7,000 articles of food for the needy families of this area.

Steve Robey demonstrates one of Boys' League's fund raising activities by selling Spirit Booster Ribbons.

The Student Exchange Club will for the first time try to send a student to a foreign country for a year of study and fun.



Janis Gonzales and Heather Bernard contribute their share to the Student Exchange Club.

The School's Atmosphere is Seasoned With International Flavor

Sit down, because I'm going to tell you a little story.

At the beginning of the year, I saw you walking down the hall minding ~~mine~~ your own business. I didn't know who you were, but I found out from very reliable sources that you were a very cool person. So, every-time I saw you in the hall, I would notice you. One time you saw me, and I was very embarrassed. I don't know if you remember; but I do. Well, anyway, I wanted to get to know you because I enjoy knowing nice people.

So now- here I am signing your yearbook, imagine that. I only regret that I didn't get to know you better. But that can't be helped.

I would like to wish you all the happiness in the world, because cool people deserve it.

God Bless - Love, Marty Miner

# of Spirit

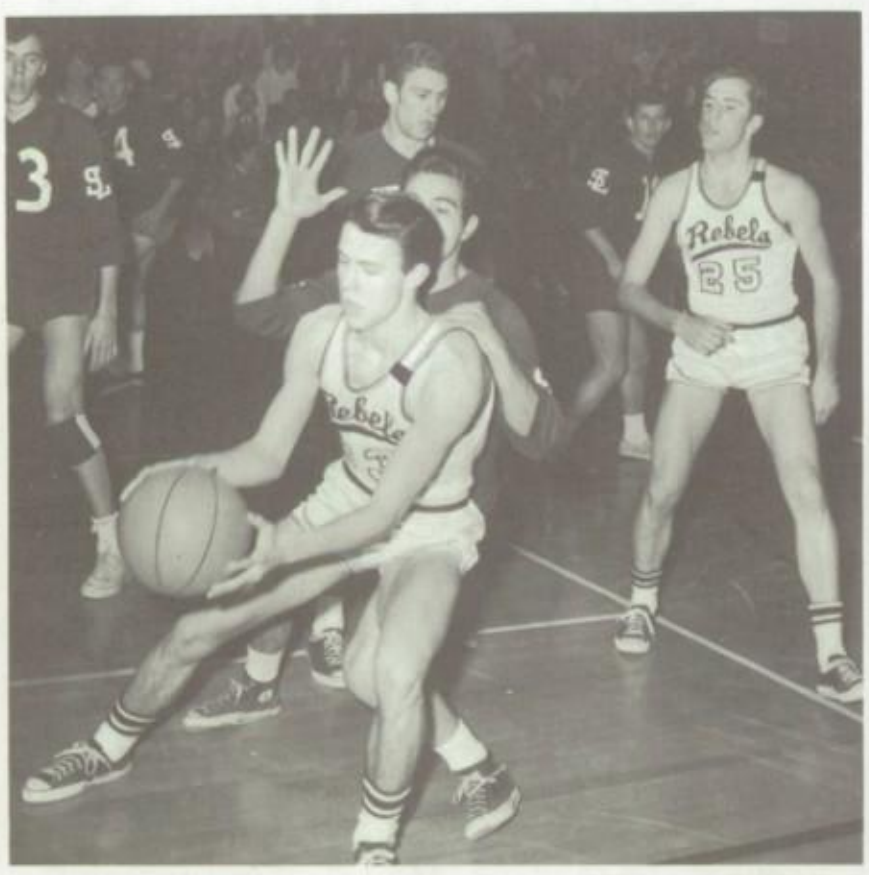
JV yell leaders display the style that helps promote spirit at games.

A noteworthy part of every game is the Pep Band. Their cooperation and talent makes it possible for the song girls and yell leaders to perform.

Varsity Victory . . .
Returning Rebs Romped!

On their way to victory, the Rebel Hoopsters sink another basket.

Reb Alumni look dismayed as their victory hopes are shattered.



Chris Shulenberger sinks another basket to help surge the varsity on to a 60-55 victory.

An attempted goal by Alumni is blocked by guard, Jim Vosseler.

KYA Oneder, Rick Barry, looks on as San Lorenzo's super star, Rick Scott, slips by.

Our school mascots: Colonel Reb and Miss Southern Belle, alias Mr. Jim Drummond and Miss Diana Meehan.

Teachers Try . . . Oneders Win

"No sweat," says Mangin.

How to be a good sport is displayed by this group of spirited scholars, who represented the faculty at the KYA game.

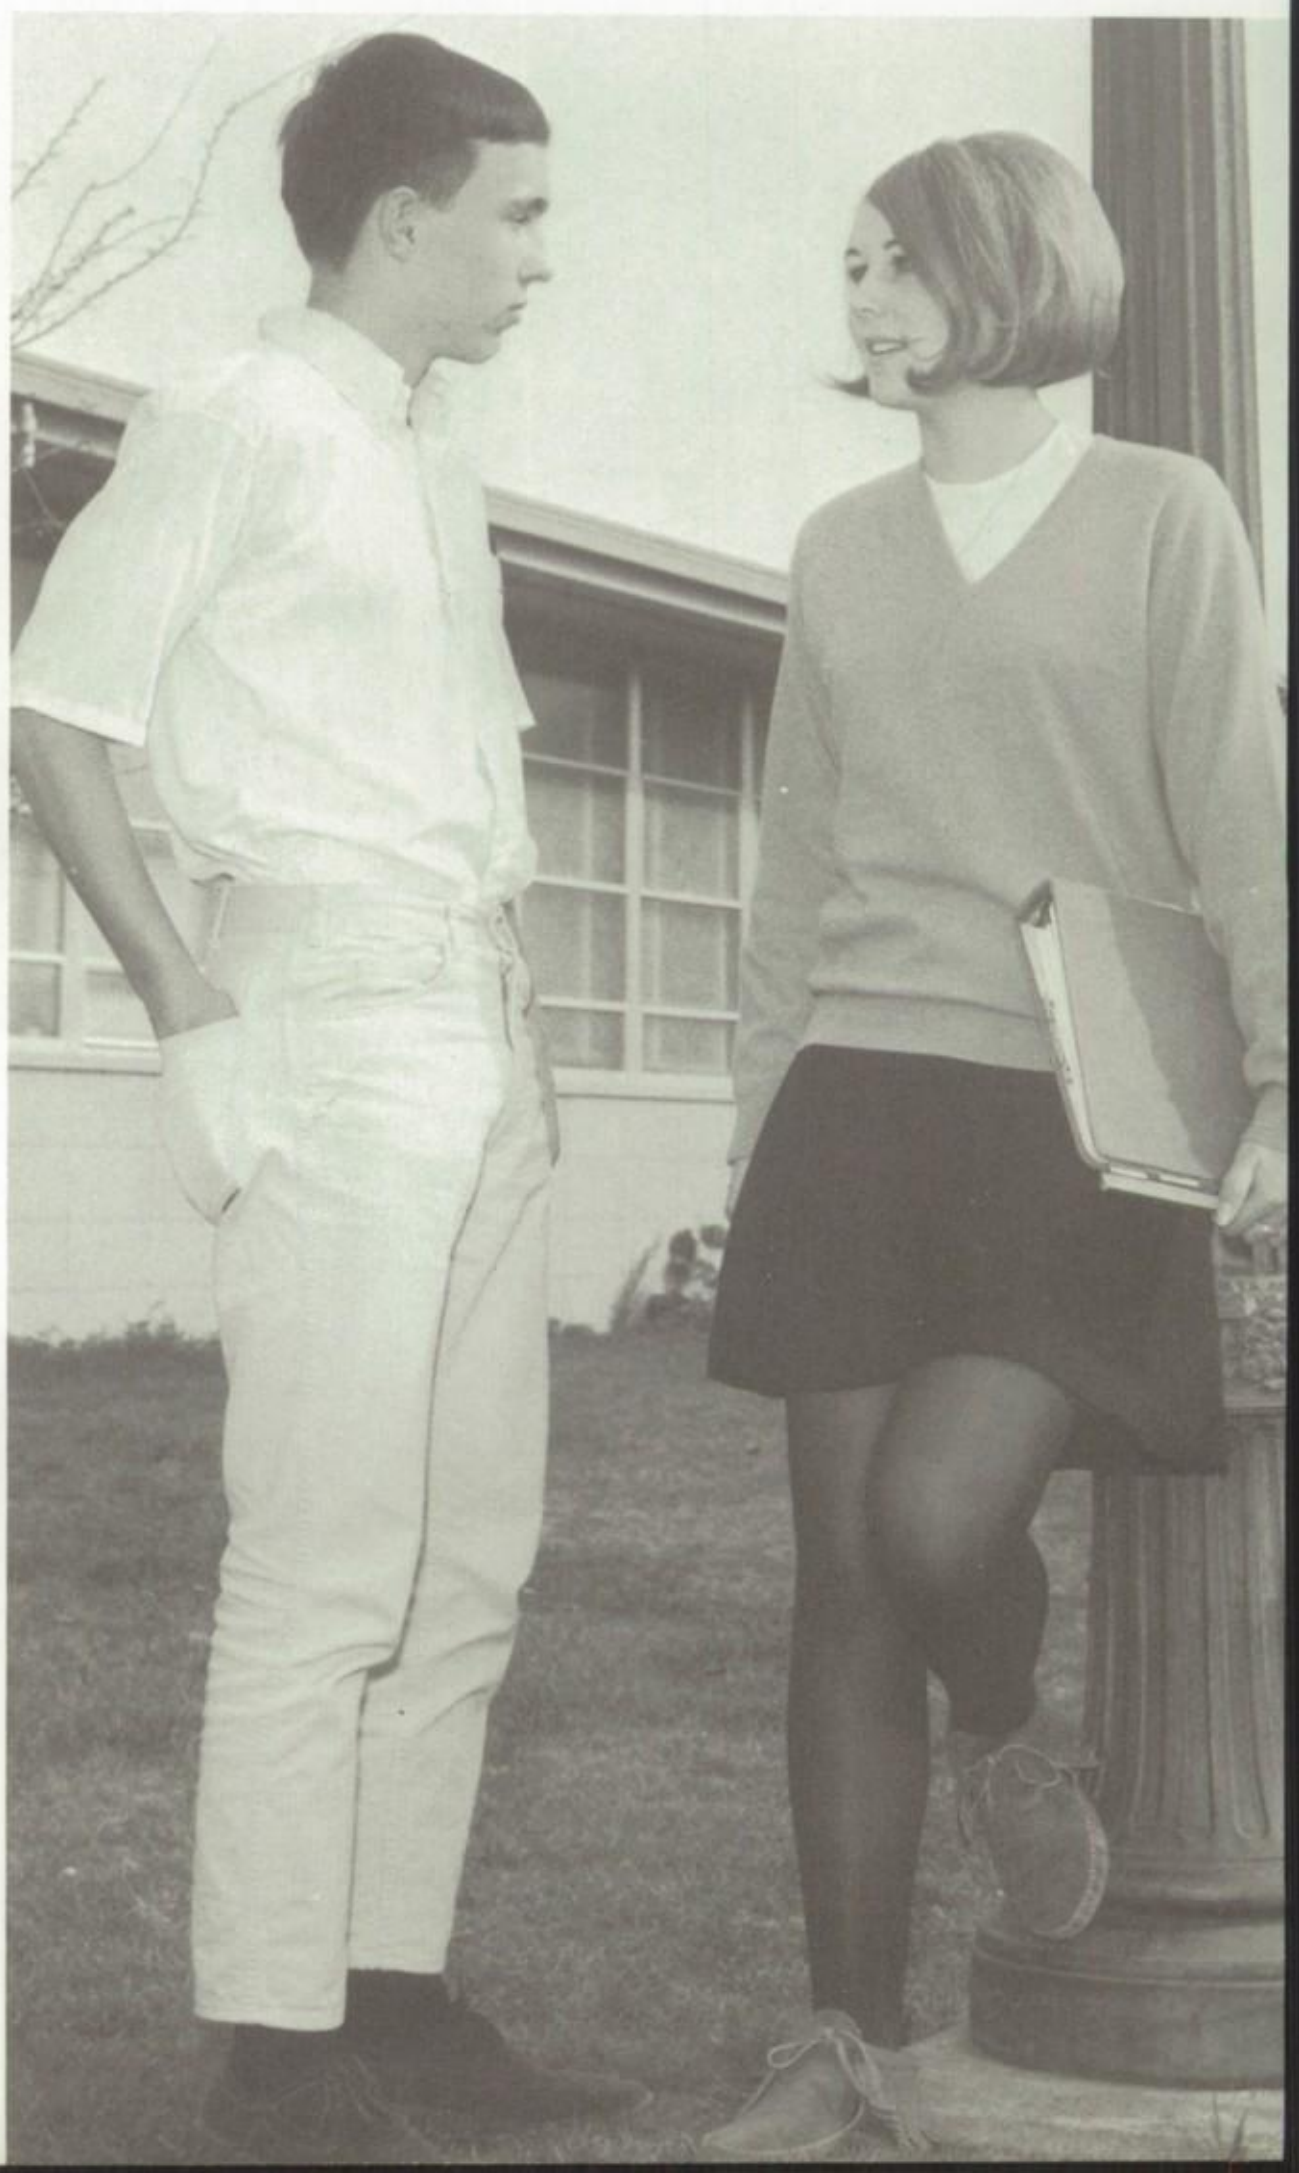
Seniors Gain European
Winnie and



Our foreign exchange students for this year were Winnie Lund and Gerd Häusler.

Winnie came to San Lorenzo from Copenhagen, Denmark, where she lives with her family. Her American sister is Diane Frazier.

Gerd's family lives in Darmstadt, Germany, where his father works as a post office supervisor. While Gerd is in America, he is staying with Jim Vosseler's family.

Both Winnie and Gerd studied with the Class of 1968, and also participated in many school activities.

Gerd

Dear Rebels,

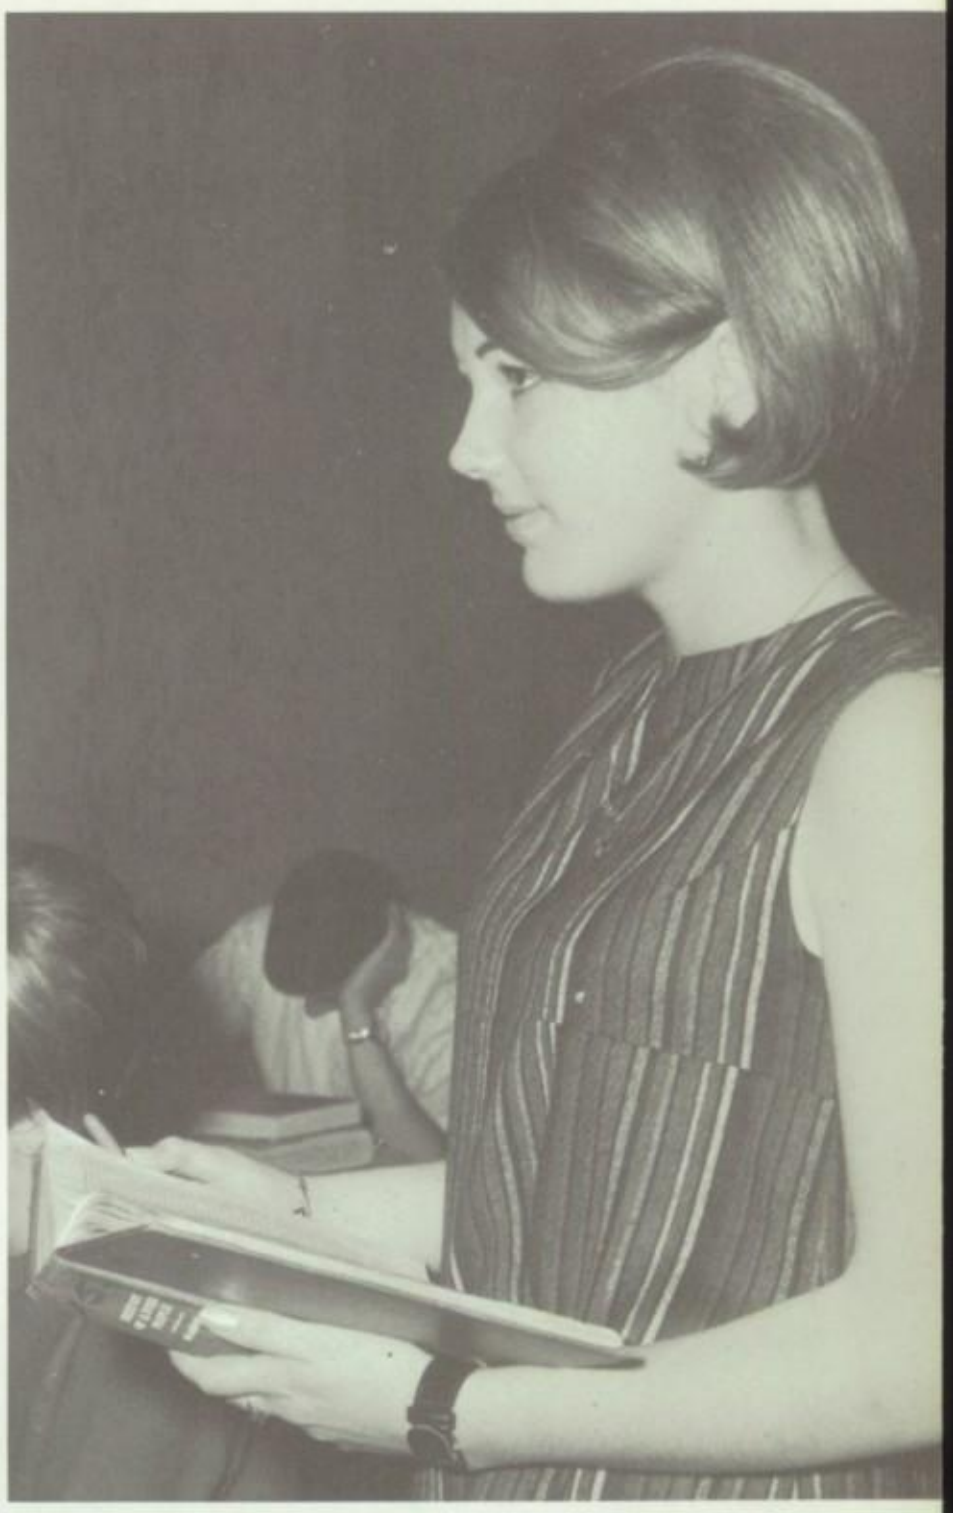
I wish to express my sincere thanks to all the students and teachers for making my year so enjoyable. I learned of many new things, including my very first football game. Now I know it is one of my favorite sports.

I also wish to thank my host parents, Mr. and Mrs. Frazier, who have made my stay here possible.

Good luck to all of you always.

Winnie Lund

Winnie Lund



Dear Rebels,

After a very exciting year, I want to thank the students and teachers of San Lorenzo High for everything they have done for me. Every day brought new excitement and many adventures. The events that were most enjoyable for me were the Coronation Ball, Slave Day, Spirit Week, and, of course, all the Senior activities. German schools could learn a lot from San Lorenzo school spirit. I am fascinated by the way the Student Body supported the athletic teams. I was proud to join the cheering crowds and to be on the track team myself. This year passed quickly, but I hope to see you again sometime.

Auf Wiedersehen
from a new Rebel,

These Seniors Top The Class of 1968

These ten students, have maintained the highest grade point averages during their four years at San Lorenzo High. Determination and hard work have resulted in the recognition these students deserve. Getting good grades is only a small part of their lives as Rebels. They are involved in every phase of school life. Among their many interests are sports, club membership, dramatics, and music. The achievements made by these seniors have helped to set a standard for future Rebs to admire and follow.

Football is . . .

The following boys are members of the Varsity football team *(first row)* Rick Garcia; Rich Silva; Dave Himenez; Bob Carroll; Jody Buna; Wayne Vieira; Tony Ventimiglio; Ron Hackl, manager. *(second row)* Coach Thompson; Al Re; Dave Acompo; Dan Armstrong; Greg Funk; Jay Craney; John Pfefferle; Gary Paterson; Rick Peterson; Coach Dore; *(third row)* Pete Miller, manager; Dennis D'-Amato; Ron Blanton; Steve Robey; Beryle Garside; Tom Jenson; Phil Tucker; Pat Hammond; Ron Long; *(fourth row)* Ira Belou, manager; Larry Smith; Ernie Cabral; Gregg Stetzer; Vince Clelucci; Tom Gray; J. T. Rodriguez; John Croll.

The Rebs finished third in the H.AA.L. this year with a record of 5-2-1. In their opening game against Castro Valley they stomped the Spartans 31-6 behind the running of Dave Himenez and Greg Funk. The Hayward game was won by San Lorenzo 31-20 as Greg Funk passed for two touchdowns and ran for another. At Mt. Eden the Rebs triumphed 19-0 as the defense, led by Al Re and Ron Long, recorded the only shutout of the season. After winning three straight games San Lorenzo let down and were tied by the Marina Titans 7-7; Dave Himenez scored the only touchdown on a 63 yard screen play. At Spartan Field the Rebs lost to a tough Canyon team 12-7. Against Sunset the Rebels played perhaps their best game of the season. The defense, this time led by Jay Craney, Ron Blanton, and Steve Robey, held the Falcons to just 7 points as they won 22-7. With the Rebels' Buna on the sidelines with an injured knee, the offense had trouble moving the ball and were defeated 27-14. In the last game of the season, San Lorenzo whipped Tennyson 27-7. After the game an appreciative Rebel football squad threw all the coaches into the showers for a season ending finale that will never be forgotten.

Coach Thompson is joyously tossed into the showers by Rebs Rick Peterson, J. T. Rodriguez and Greg Funk.

. . . a tumult of emotion

Offense is . . .

Poised for action is the league's number one offense.

Greg Funk (10) hurdles over Hayward defenders as Rick Garcia (32) clears the way.

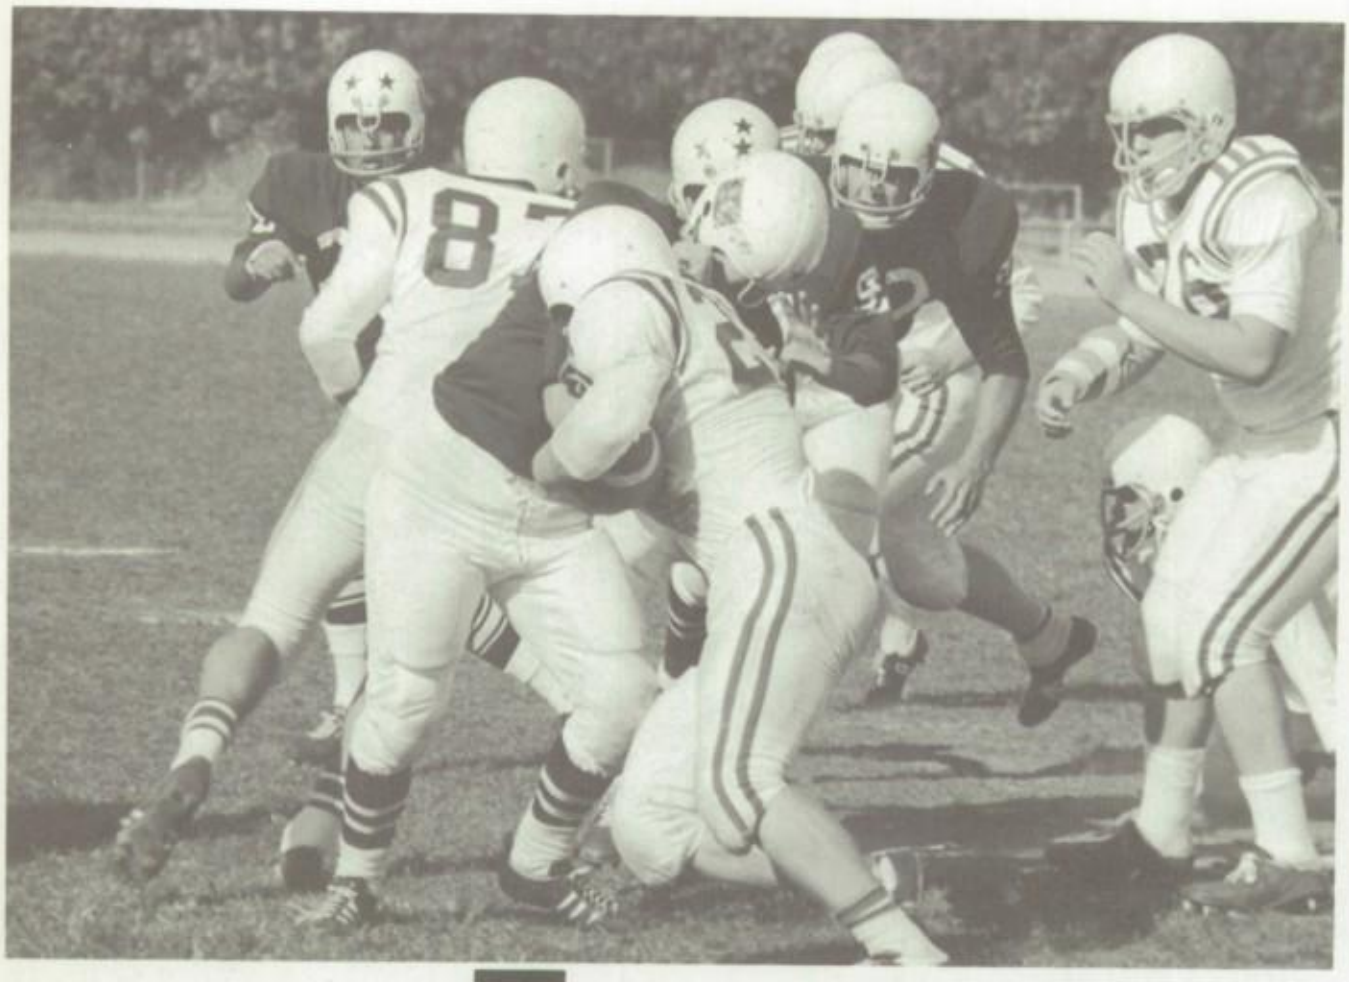
Ron Blanton (75) protects quarterback Greg Funk as he drops back to pass.

The "Go" Team

Greg Funk turns the corner on an end sweep.

Dave Hemenez (24) dashes over a Marina lineman to score.

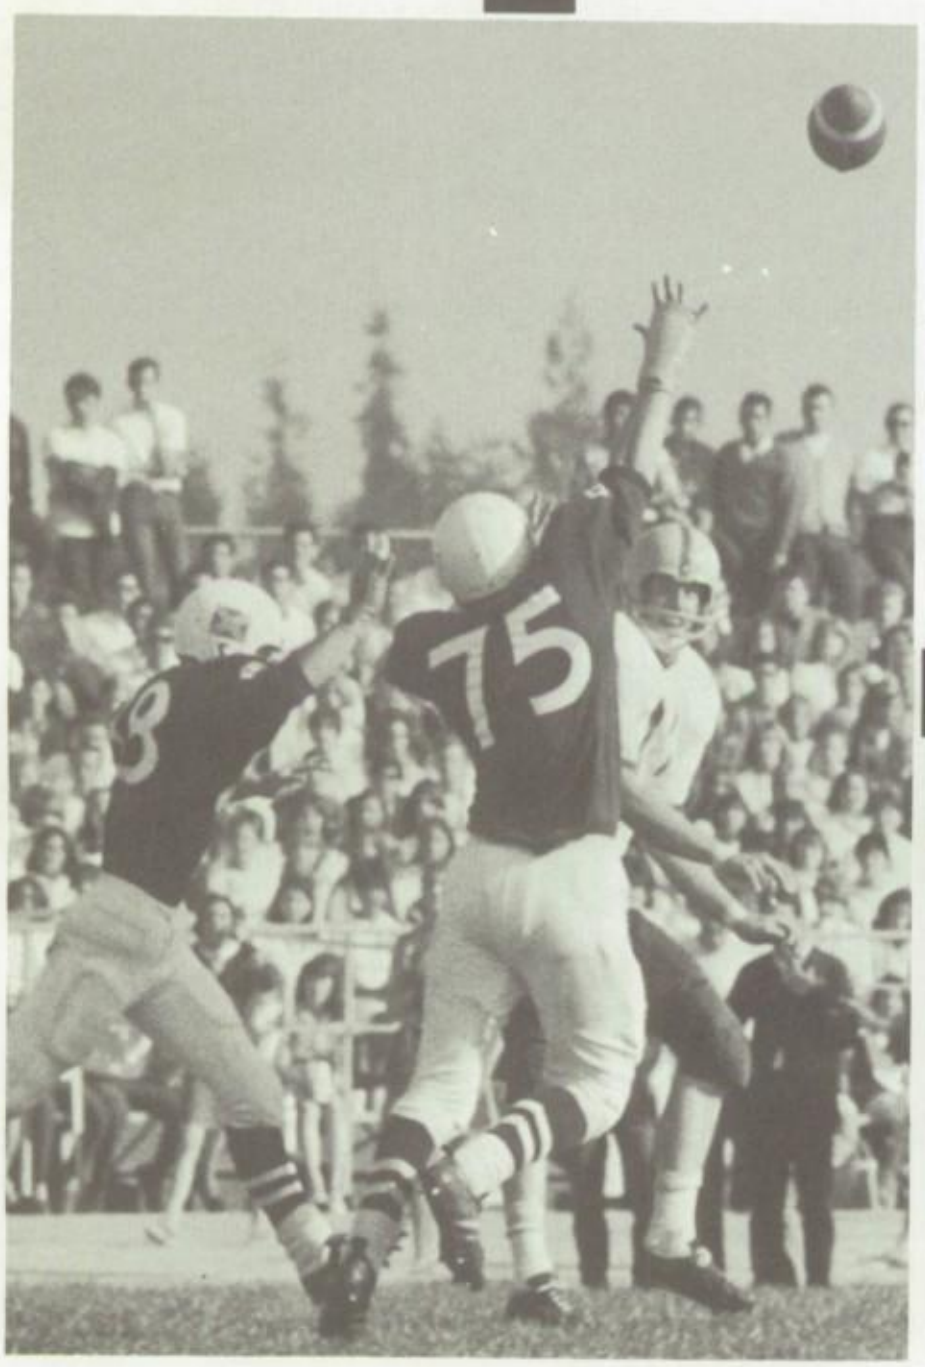
Rick Garcia and Greg Funk demolish a Canyon defender as Dave Hemenez drives on.



Ron Blanton halts All-league halfback Brian Bream as Al Re and Rick Garcia move in.

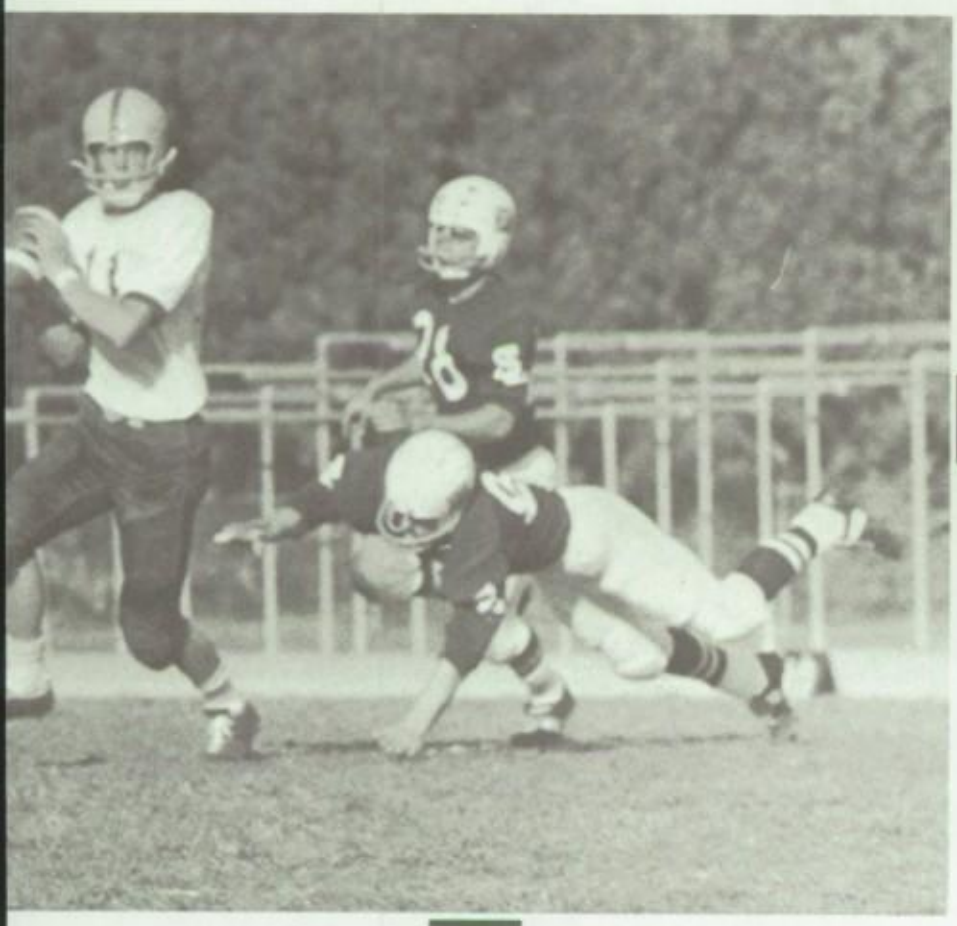
Ron Blanton and John Pfefferle smother the Sunset quarterback as he gets his pass away.

The Opposition Falls

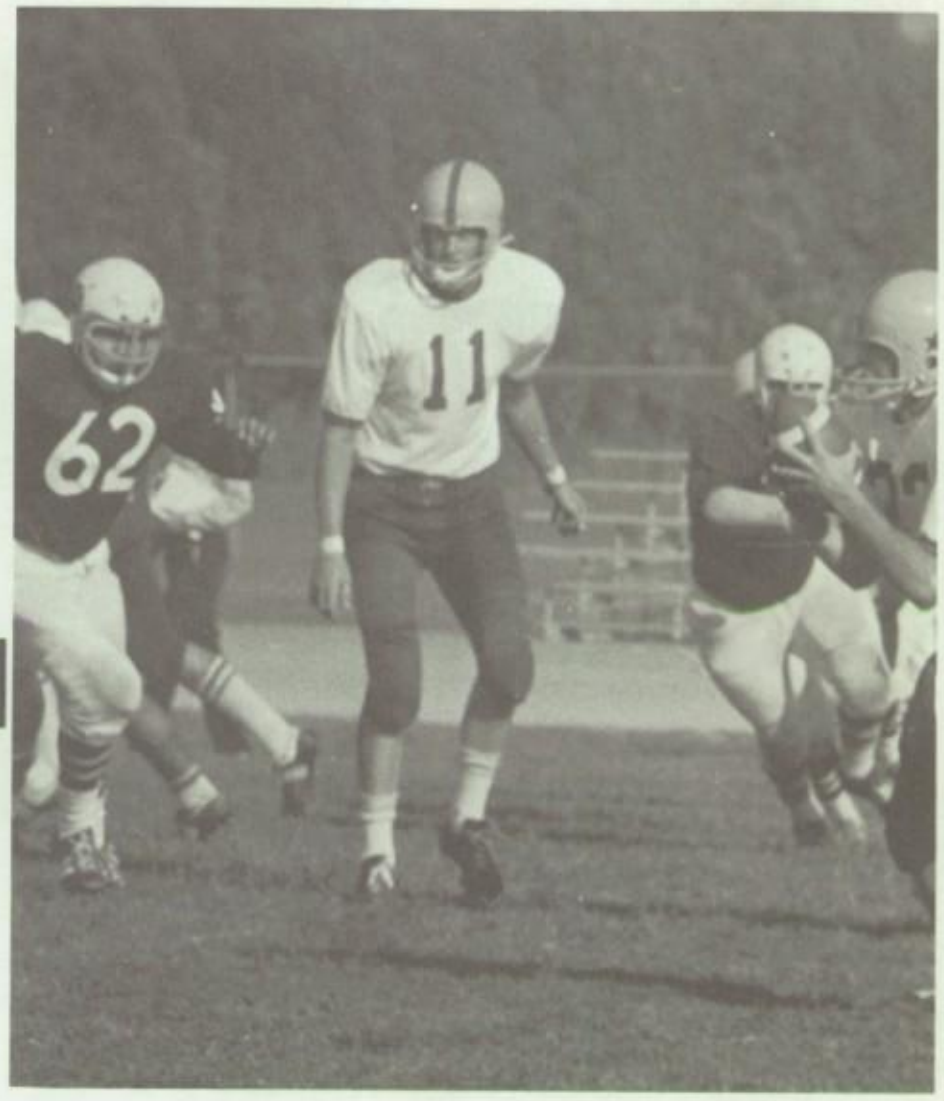


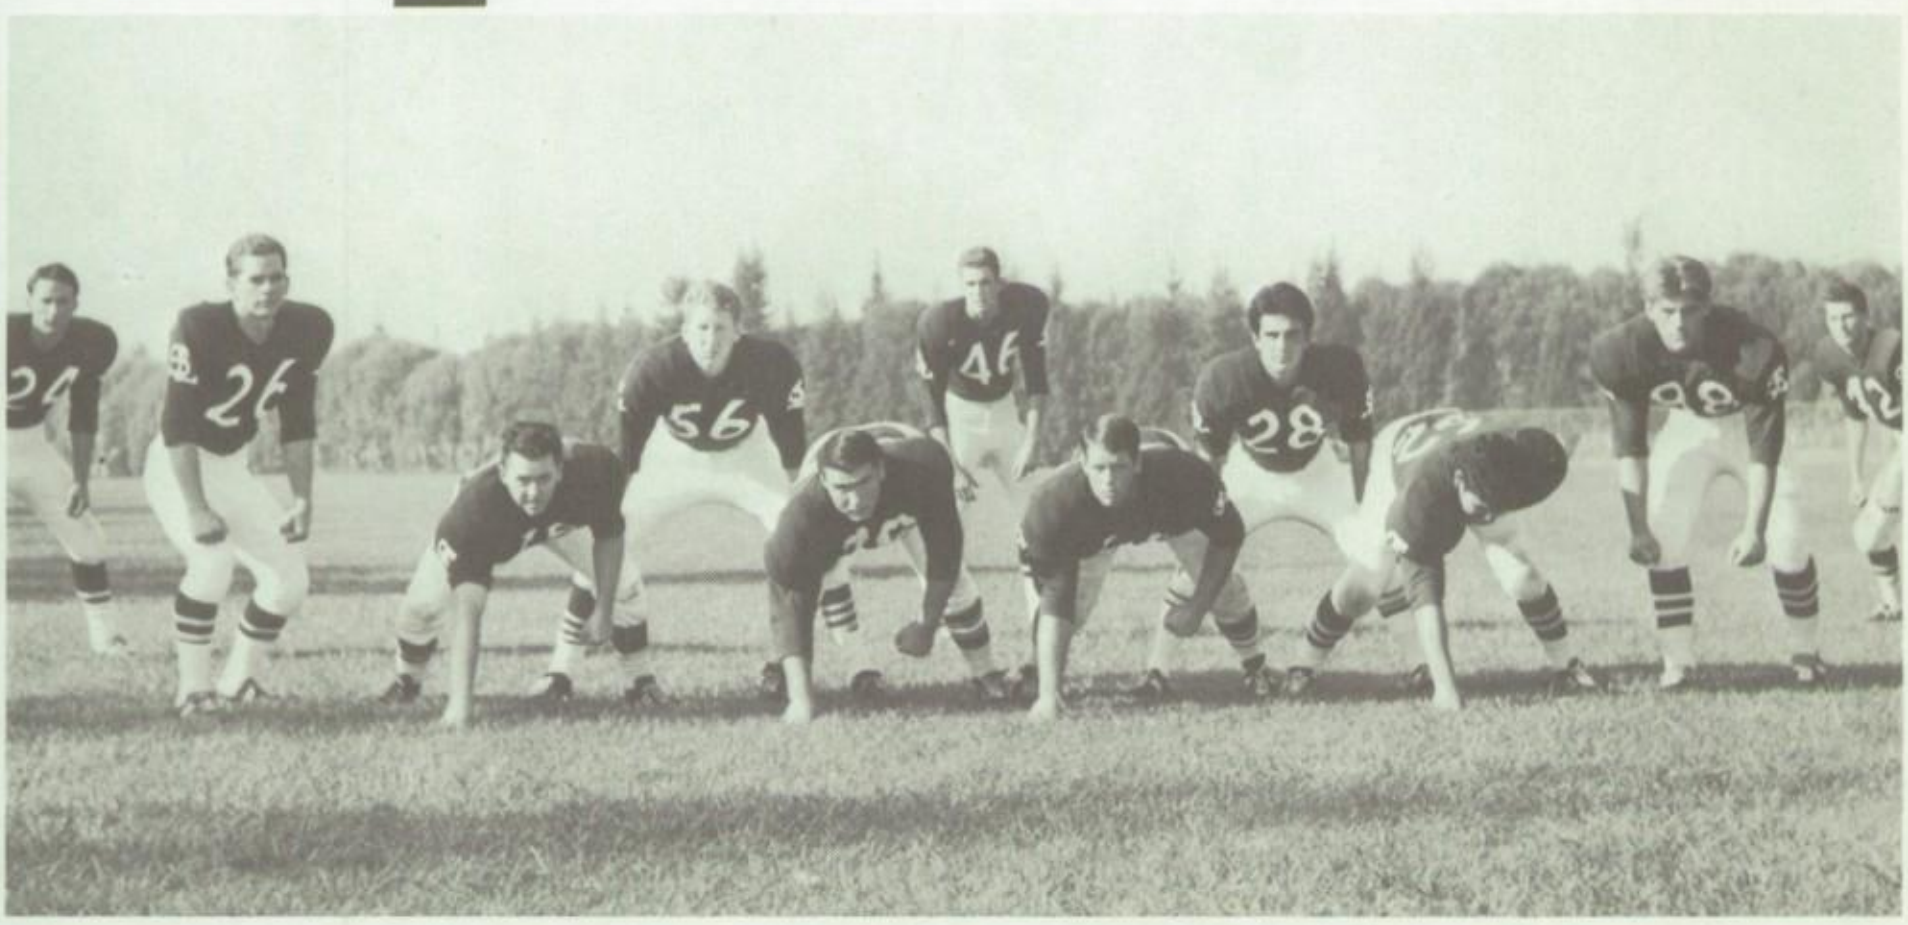
The Rebel defensive line is set to smash the Falcon offense.

Rebs Al Re and Steve Robey chase the Sunset quarterback deep in the Falson's backfield.



Captain Jody Buna penetrates the Sunset backfield to stop a play.





Posing proudly is the league's second best defense.

All's the same from day to day,
California happiness, well, show us the way.

Editors Message

What has happened to the individual? In golden yesterdays there weren't strikes (well, not so many) and sit-ins and draft-card burnings and inflation ... and Vietnam. A person had time to think ... to become aware of himself. But now we live in a state of unrest ... a maze of happenings we cannot understand, and the search for identity has become a challenge unmet.

The bright young people of today must not allow themselves to be overwhelmed by the electrifying pace of society, nor can they remain annonymous in the midst of change. The 1968 Confederate *is dedicated to them, and the many others who are struggling for individualism, in the hopes that they will realize their responsibility and meet the challenge. There is no mathematical formula, nor can c computer tabulate the answer, but there is a beginning ... journey into your inner self, and then look out into the society which envelops you. Understand ... and you will find that the greater size of things does not make your size less. It is up to you to take the first step.*

"The Road Not Taken"

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I– –
I took the one less traveled by,
And that has made all the difference.

Hello mi friend. Oh, the years been sweet, but not very fulfilling uh? Oh well we can't have wht we want all the time. You're a very tuff guy with a good head on his shoulders. Graduate eighth school and remember, always open the door of life; you do have the key.

Richard,
I can't express in words
what a wonderful person
you are. You helped me out
so much at work. I can't wait
until you are manager. You'll
own store. I really think
a good one. I still don't understand why
you won't be let me be your personnel
manager. Well thanks again Rick
you will always be happy.

P.S. maybe someday you will tell me
why you were mad that week

Rick-
We've gone through this year in three classes together and in all of them you're so quiet. You were smart in Chemistry, & be good (Ray Charles)

Ricardo — How come you don't wear the flashy clothes you wore in Salter's class! I hope you didn't mind me yelling at you band guys this year. But by nature I'm kind of mean.
